## CHALET ZEN

ZERMATT, ZERMATT

Chalet Zen is a glorious estate brimming with Alpine romanticism and country home elegance. Its discrete Zermatt location is ideally perched for skiers, a mere hundred yards from the piste and main ski lift. Secluded yet central poised, this luxury vacation rental is a short stroll from the seductive gastronomic and retail scenes of the world's most prestigious mountain destinations.

Spellbinding interiors present a gorgeous combination of Swiss Alpine elegance and eternal country home charm. Roughhewn timber merges beautifully with early-century period furnishings, supple leather sofas, and landscape paintings, enveloping the home in pastoral romanticism. Majestic double-height vaulted ceilings supplant an exquisite sense of verticality, underscored by hefty wood beams. A gorgeous native stone fireplace doubles down on snowed-in coziness, setting the scene for memorable family moments, poised before the iconic peak of Matterhorn. Chalet Zen accommodates 8 guests between four incredibly homey suites. An additional bunk room, ideal for two kids, offers versatile lodging options for traveling families. Three bedrooms have south-facing balconies with Matterhorn views, while five luxurious marble bathrooms boast under-floor heating. Two spacious living and dining areas are complete with fireplaces, a small study, and a well-stocked library for indoor amusement during downtime or winter storms.

A gorgeous wrap-around terrace ensures guests are never too far from total natural immersion. The outdoor hot tub presents the ideal venue to soak in the exhilarating mountain air and the diamond-studded night sky. This stunning luxury Chalet peers into the purest distillation of Swiss Alpine natural majesty, offering an unmatched backdrop for a morning cup of coffee or apres-ski glass of red.
