ZERMATT

Zermatt, an idyllic mountain village in the Swiss Alps, established itself as one of the most renowned world-class resorts. Dominated by the Matterhorn, a looming peak that has achieved almost mythical status as the ultimate Swiss landmark makes the village of Zermatt all the more enchanting. As a winter resort, it boasts an enviable snow record, superb skiing (lasting through early summer), stunning luxury ski chalets, and nightlife to match. Come summer, the four-thousand-meter summits attract many alpinists. There are hiking, cycling, climbing, and high-Alpine tours with views of Europe's highest two mountains – Mont Blanc and Monta Rosa. This combination of breathtaking scenery, top-class hospitality, and one of the highest ski areas in the Alps make Zermatt a dream destination all year round. A robust cultural itinerary keeps guests occupied, with ample museums and tours awaiting apres-ski downtime.
