CHRISTIANIA PENTHOUSE

ZERMATT, ZERMATT

Christiania Penthouse is a luxury alpine residence nestled in the heart of Zermatt, Switzerland. Occupying the top two floors of the prestigious Christiania Residence, this luxury ski-in vacation retreat is ideally positioned just minutes from the bustling village center. Crafted with expansive glass, natural stone, and warm wood finishes, the penthouse offers both elegance and functionality. Its privileged location and expansive mountain views make it one of the most desirable high-altitude escapes in the Swiss Alps.

The interiors are a refined expression of contemporary chalet style, combining vaulted ceilings, timber textures, and curated furnishings across 538 square meters. The open-plan living and dining room is accented by a dramatic wood-burning fireplace, bespoke lighting, and panoramic sliding doors that open onto a sun-soaked balcony with Matterhorn views. A gourmet kitchen with a breakfast bar overlooks the rooftops of Zermatt, while the cinema room and private sauna elevate in-home leisure. Seven thoughtfully appointed bedrooms sleep up to 14 guests in either super-king or twin configurations. All bedrooms are equipped with TVs, desks, safes, and high-thread-count linens. Five of the bedrooms feature en-suite or private bathrooms, while two share a bathroom and can be closed off to create a private family suite. The main suite offers a walk-in wardrobe, fireplace, and expansive terrace.

Expansive south-facing balconies frame unforgettable views of the Matterhorn and surrounding peaks. The Christiania Penthouse provides seamless access to the region's premier ski slopes, and après-ski enjoyment is elevated by the elegant terrace and sauna. Set within one of the Alps' most charming villages, the residence evokes a sense of elevated tranquility and refined adventure year-round.

ZERMATT

ZERMATT

Zermatt, an idyllic mountain village in the Swiss Alps, established itself as one of the most renowned world-class resorts. Dominated by the Matterhorn, a looming peak that has achieved almost mythical status as the ultimate Swiss landmark makes the village of Zermatt all the more enchanting. As a winter resort, it boasts an enviable snow record, superb skiing (lasting through early summer), stunning luxury ski chalets, and nightlife to match. Come summer, the four-thousand-meter summits attract many alpinists. There are hiking, cycling, climbing, and high-Alpine tours with views of Europe's highest two mountains – Mont Blanc and Monta Rosa. This combination of breathtaking scenery, top-class hospitality, and one of the highest ski areas in the Alps make Zermatt a dream destination all year round. A robust cultural itinerary keeps guests occupied, with ample museums and tours awaiting [apres-ski downtime](#).
