VILLA CHIARA

HERRLIBERG, ZURICH

Villa Waterfall is a luxury residence set in the serene outskirts of Zurich, embraced by the natural beauty of Switzerland's most cosmopolitan city. Surrounded by verdant hillsides and in close proximity to the shimmering expanse of Lake Zurich, this refined abode captures both urban sophistication and tranquil seclusion. Its elevated setting offers breathtaking panoramas that shift with the seasons, from lush summer greenery to snow-dusted alpine views, creating an atmosphere of timeless allure.

The interiors epitomize contemporary luxury across three thoughtfully designed floors. At the heart of the home lies the spacious living room, where striking geometric architecture and expansive glass walls invite light to cascade in, framing uninterrupted views of the landscape. Premium furnishings and bespoke finishes define the atmosphere of elegant comfort. Adjoining this central gathering space is a sleek, modern kitchen, crafted with precision and fully equipped for both everyday living and gourmet culinary creations. On the same level, the master suite with en-suite bathroom stands as a private sanctuary, while the villa as a whole provides four bedrooms, three en-suite on the ground floor and the master on the first, each designed with serenity and discretion in mind.

The exterior extends the experience of luxury into the open air. Three distinct terraces, each oriented to capture unique perspectives of Zurich's surroundings, create opportunities for morning reflections, sunset gatherings, or intimate alfresco dining. Beyond these elevated outdoor spaces, the villa presents a secluded wellness retreat. A pool house accommodates a private sauna, fitness area, and an inviting swimming pool, while landscaped grounds enhance the sense of refinement. Indoor and outdoor parking for multiple vehicles ensures practicality without compromising elegance. Villa Waterfall is not only a residence but a masterful union of architecture, nature, and elevated living.
