Cove Spring House is an exquisite beachfront residence overlooking an idyllic rocky cove in Saint James. A commanding neo-classical facade brims with colonial grandeur overlooking some of Barbados' most magnificent stretches of sand. This spellbinding luxury oasis satiates the ultimate tropical Island fantasy, with five-star amenities and white glove services curating a world in and of itself.

Spellbinding interiors abound with fine taste, featuring a delectable fusion of old-world grandeur and globetrotting eclecticism. Great stone interiors are complete with robust niches, palladian columns, and brick arches, evoking the palatial intrigue of Tuscany's foremost Renaissance-era manors.

Classicism merges with the uncanny in an atrium pairing ornate rococo mirrors, Chiaroscuro paintings with evocative modern sculpture, and Safari-themed statuettes. Regal coffered ceilings support Imperial beaded chandeliers across stunning parlors and seating areas wafted by the balmy Caribbean breeze. Breezy French doors offer seamless navigation to the technicolor tropical splendor of the outdoors, imparting a delectable permeability and openness to the weighty Royal Villa. A vibrant collection of expressionist artworks imparts potent dollops of color to this tropical palace, imparting a playful yet prestigious ambiance. Ten fantastic bedrooms resemble impenetrable oases of relaxation fit for the most discerning luxury traveler. Top-notch amenities include a cutting-edge media room, expansive fitness center, and full spa services, delineating a luxuriant haven of leisure and rejuvenation.

Spectacular alfresco spaces span verdant tropical jungle, wide open shorelines, and serene coves enclosed by seaswept boulders. Regal balustrades and quaint footpaths delineate a stunning playground grounded by the dominating oceanfront patio, complete with a freeform pool and Jacuzzi. Cove Spring House is a behemoth of Caribbean luxury living, rendering the next Barbadian escapade absolutely extraordinary.
