ANI Thailand is an all-inclusive private resort peering into the purest distillation of Thailand's spellbinding natural beauty. This spectacular beachfront estate occupies a white sand beach with unparalleled views over Phang Nga Bay's dramatic limestone karst formations. Embraced by lush jungle, ANI pairs unmatched serenity with otherworldly vistas.

The resort comprises gracious free-standing structures with distinctive, pointed rooflines inspired by Northern Thailand's ancient Lanna architecture. Serene lounge pavilions are embraced by glass walls, supported by ornately sculpted timber dazzling with sublime craftsmanship and timeless patterns. Sacred ochre adorns the low-profile seating beneath dainty oriental lanterns and mesmerizing mandalas. Ten gorgeous bedrooms accommodate up to twenty guests at this remarkable estate. The bedrooms have been spread over five guest houses, ideal for groups seeking oscillation between social time and privacy. Guests may indulge in luxurious relaxation featuring a double spa treatment room with a soothing jacuzzi and a state-of-the-art gym and enjoy open-air dining and tranquility in various settings, including a sunken lounge deck, a rooftop meditation area, the lush garden, and the pristine beach. For endless entertainment, a games area, a children's pool with a waterslide, and in-pool chess and backgammon ensure hours of delightful moments.

Perfect for weddings, private events, or corporate retreats, ANI includes a 100 ft. oceanfront swimming pool, a water slide, and a pool for children. Savor a culinary journey at the resort with customized menus for breakfast, lunch, and dinner in diverse settings tailored to surprise and delight guests. Enjoy the freedom of free-flow beverages, including juices, premium spirits, cocktails, and wines, or indulge in spa treatments and personal training to cultural entertainment and children's programs, ensuring a seamless and enriching experience. For the more adventurous, there are rock climbing, scuba diving, and serene encounters with wildlife at the Phuket Ethical Elephant Sanctuary.

KOH YAO NOI

KOH YAO NOI

Tropical island bliss takes its purest expression on the palm-speckled oasis of Koh Yao Noi. A mere 45-minute speedboat ride from the crowds and chaos of Phuket, this island is marked by unmatched serenity immersed in the supernatural beauty of Phang Nga Bay. Offering a far more laidback experience than its sister island to the south, Ko Yao Yai, Kao Yao Noi abounds with seldom-found mystique and thrill. Whether you are seeking rejuvenation and reconnection with the elements or a nautical adventure by island hopping geological wonders – including the famed James Bond Island – this haven offers something for every palate. Kick back poolside, frosty cocktail in hand, soaking in magical dusk colors over the shimmering sea, or experience the exhilaration of uncharted waters navigating the marvels of the Andaman. Castaway opulence has a new name, set in the heart of Phang Nga Bay.
