# THE AMILLA ESTATE SIX BEDROOM

BAA ATOLL, MALDIVES

The Amilla Estate Six Bedroom is a glorious beachfront residence brimming with the prestige and glamor of the world's premier Island getaways. This scintillating contemporary complex shaded by towering palms flaunts exceptional resort-style exteriors before spellbinding turquoise vistas.

Defined by ample glass walls, double-height ceilings, and radiant white interiors, Amilla flaunts a prodigious number of lavish sea-vista living zones. Ultra-chi, modern interiors set forth a harmonious uncluttered sensibility, with exotic woods, rich tones, and glossy finishes grounding the breezy interiors with cosmopolitan sophistication. Custom design furniture dazzles in gracefully conceived common areas ideal for casual get-togethers, impromptu cocktail soirees, or lavish dining affairs. A thoroughly dynamic floorplan where indoors and outdoors meld seamlessly together make up an entertainer's dream. The estate convenes around the focal swimming pool courtyard, maximally interacting with the outdoors. A serene monochrome color scheme refracts the ample sunlight beautifully, while six sumptuous ensuite bedrooms boast ultra-plush bedding outfitted with deluxe linens. Automated with the highest technological specifications, guests may indulge in 42 to 50-inch entertainment and an integrated Bose sound system for utmost guest discretion and comfort.

Resort-style exteriors are grounded by a glamorous 65 x 27-foot lagoon-style pool set in a teakwood deck, spanning the entire width of the estate. An outdoor dining lounge and bar that beckon supine siestas sprawled on the modular sofa and candlelit finners. A beachfront jacuzzi is a beloved venue for soaking in a dazzling night sky. Alluring sun loungers smatter the soft white sands while hammocks sway lackadaisically between the palms.

BAA ATOLL

The Maldives' one-of-a-kind geography never ceases to inspire awe. Famously balmy waters, crystalline seas, and dazzling underwater bounties delineate the ultimate haven for snorkelers and deep sea divers. A collection of more than 1,000 coral islands and atolls shine like jewels suspended in the most luminous cyan-blue waters imaginable. Each island presents its own paradise resort, featuring luxurious accommodations and the ultimate discretion. A destination that needs to be experienced to be believed, this nation takes private island opulence and the tropical beach fantasy to glorious heights.
