MANDALAY PEARL

WEST, MUSTIQUE

Mandalay Pearl is an astonishing Balinese-style residence perched along a lush hillside overlooking the endless turquoise expanse of the Caribbean. Perched on six acres of ethereal terraced gardens and lush foliage, this residence convenes around stunning multi-level water features, including a focal Koi pond. This tropical Island masterwork was custom built for legendary artist David Bowie by renowned architects Arne Hasslqvist and Robert Litwiller.

A stunning mosaic of influences collides in this sublime Southeast Asian retreat presenting the very pinnacle of tropical Island luxury. A gorgeous living room pavilion abounds with energy and eclecticism that could only be conceived by the late genius, David Bowie. A neo-classical fresco embraces the inside of the living space, with gorgeous paintings of tropical foliage reserved for the vaulted ceilings. Sliding doors present exquisite parquetry, with art nouveau chandeliers, sculptural leather sofas, towering brass lamps offering a delectable maximalist sensibility brimming with glamor, seduction, and exoticism. Exceptionally curated artifacts from Central America, India, and Asia garnish this mythic estate, positing a bold indoor-outdoor living philosophy. Guests navigate through boardwalks past stunning water features and lush foliage to a fitness room, study, rehearsal studio, stage, and multiple reception rooms. A well-stocked games room abounds with whimsy and playfulness entailing pinball, arcade games, darts, foosball, and billiards table. Seven exquisite bedrooms accommodate fourteen guests in unmatched comfort, style, and discretion. Five suites are in the primary residence, two placed between the Writer's Cottage and Artist's Studio, each with a kitchen and private balcony.

Oustanding outdoor decks jut out towards the sea, offering unmatched sea views. Exquisitely appointed terraces envelop the split-level koi pond, waterfalls, and an infinity pool. Situated on the grounds are a dining pavilion and private garden deck perfect for sunbathing.
