VILLA MARCELLA

PLATIS GIALOS, MYKONOS

Villa Marcella is a spellbinding residence perfected in the art of Hellenic luxury living. Gorgeously embedded in the austere beauty of the Mykonian coast, this luxury Villa delivers breathtaking beach panoramas above Paradise Beach. Occupying one of the most spectacular stretches of the island, guests will revel at the shore's thin gold sand and crystal clear blue-azure waters.

Aesthetically immaculate interiors bring the height of cosmopolitan elegance to the heart of the Aegean. A sleek, pared-down vision of contemporary Hellenic opulence comes alive across this estate's gorgeous spaces, not limited to a subaquatic cocktail bar and lounge area. Sleek lines, shimmering precious stone surfaces, and ultra plush designer furnishings make up glorious open concept spaces lined with oversized windows. Gleaming Calacatta marble navigates through haute couture common areas fusing seaswept glamor with post-modern artistry. LED underscored tray ceilings curate a fantastic nocturnal ambiance bringing lavish dining affairs and evening cocktails to vertiginous heights. The gorgeous chef's kitchen features a modular configuration allowing for more intimate cooking or lavish gastronomic affairs. Seven sumptuous bedrooms accommodate guests in total comfort, flaunting deluxe bedding, premium toiletries, and lavish spa-inspired ensuites.

A diverse variety of local flora has been inventively composed in the extended gardens to blend in with the stunning natural environs. A glamorous sea views infinity pool embraced by alluring sun loungers takes center stage, intoxicating guests into the indulgent pace of Island living. Plentiful shaded and unshaded deck spaces are ideal for soaking in the sights or the sun rays, while a world of recreation and relaxation is offered between a Jacuzzi and an on-site basketball court. MYKONOS

PLATIS GIALOS

Mykonos delivers a cosmopolitan and worldly atmosphere as a coveted summer destination with the seaside serenity of pristine, sandy beaches. Famous for its minimal Cycladic architecture, Mykonos is full of traditional whitewashed houses and is home to Greece's iconic blue-domed church. However, the island's trademark is the beautiful authentic windmills in front of Little Venice, where you can enjoy a magical sunset and capture the colorful light washing over the island's main town, Chora. Being in the center of the Cyclades group, Mykonos is the most prominent for its cosmopolitan atmosphere and vivid nightlife. It's widely regarded as the "Ibiza of Greece". Chora, the island's main town, serves as its beating heart. Awarded restaurants, designer boutiques, and top clubs bedeck its cobbled streets.
