VILLA PEARL

SAINT-BONAVENTURE, ST-TROPEZ

Villa Pearl is a gorgeous Mediterranean estate defined by lush pastoral environs embedded in the picturesque vineyards at the edge of St Tropez. Prestigiously poised in proximity to Les Salins, Pampelonne, Nikki Beach, and the legendary Club 55, Pearl embodies quintessential Rivera glamor and prestige. This wondrous luxury Villa preserves the eternal spirit of Provencal living, upheld by epicurean indulgence and insatiable pursuit of the sublime.

The exquisite interiors brim with neoclassical elegance and European high culture finesse. Arched swinging French doors envelop a timelessly elegant living room with pastoral shelving and a gorgeous Tuscan-style fireplace garnished with a pair of stately neo-Hellenic statuettes. A delectable country-style kitchen flaunts saturated palettes of teal enlivened by glorious Calacatta marble countertops. This gorgeous space reconciles old-world romanticism with an impressive arsenal of commercial-grade appliances. An exceptional workplace for the culinary master is offered, while quick veranda access promises fantastic alfresco experiences for those awaiting to discover the kaleidoscopic diversity and refinement of Provencal cuisine. This fabulously stylish Saint Tropez Villa sleeps twelve guests between six individually decorated private suites. Each bedroom is inflected with an Old European charm, with romanticist paintings, brocade chairs, ornate bed frames, and refurbished period pieces merging elegantly with the color-coded suites. Zoned for maximum guest autonomy and discretion, two ensuite double bedrooms are on the ground floor, while the master ensuite is perched upstairs along with the two remaining bedrooms.

A playful veranda of radiant yellow stucco and Imperial blue French door coverings runs along the length of the home. This vivacious, thoroughly Mediterranean setting comes alive with bohemian lampshades during the evenings, making for an unmatched entertaining ambiance. A sleek heated swimming pool is a focal attraction of the near one acre of property, embraced by alluring sun loungers.
