# LIDIJA HOUSE

LONG BAY, TURKS AND CAICOS

Lidija House is an astounding residence perched along some of Turks and Caicos' most enchanting coastlines. This lush tropical paradise boasts outstanding sea views and resort-like exteriors. Undoubtedly the crowning jewel of Long Bay Beach, this lavish residence presents the epitome of tropical Island luxury.

Outstanding diamond-shaped interiors flaunt gorgeous floor-to-ceiling windows inundating the pristine white indoors with electric turquoise. Ample natural light animates the symmetrical glory of the interiors, a lovely focal living area at the heart of this lavish residence. Classically styled chandeliers impart aristocratic prestige to the immaculate interiors, while ultra-plush sofas, scintillating glass surfaces, and travertine floors are perfected in breezy Island living. The home's serene monochrome palette of white, beige, and cream tones contribute to a serene and dreamy ambiance wafted by balmy tropical tradewinds. A gorgeous open provincial kitchen flaunts ample counter space and top-of-the-line appliances, while a seven-seat breakfast bar is outfitted for spontaneity and casual eats. Seven exceptional ensuite bedrooms accommodate fourteen guests in utmost comfort, discretion, and elegance. Shuttered windows and private outdoor access pair with a delectable neo-classicist theme, European aristocratic flair merging perfectly with breezy Caribbean living.

Exceptional resort-style exteriors flaunt extraordinarily staggered plunge pools and water features, gorgeously interacting with the estate's independent bedroom pavilions. Private walkways navigate past an alluring jacuzzi and wading pool to exemplary deck spaces riddled with alfresco and lounge arrangements. A pool bar and cabana overlook dazzling vistas over the Caribbean sea.

## TURKS AND CAICOS

### LONG BAY

Turks and Caicos is an archipelago of eight major islands and many small cays in the tropical Atlantic Ocean, southeast of the Bahamas. Its stunning blue waters and pristine white sand give the island some of the world's most amazing beaches. The Turks and Caicos is a true island destination. Its residents come from all over the world and from all walks of life. Yet, the island is a proud British Overseas Territory with its own unique heritage and culture. Travelers will also experience an immaculate marine environment, friendly people, and fine dining. The gateway island of Providenciales, known as Provo, is home to expansive Grace Bay Beach, with high-end shops and restaurants. Scuba-diving sites include a 14-mile barrier reef on Provo's north shore and a dramatic 2,134-meter underwater wall off Grand Turk Island. Stay for the natural bounties or embark on a more luxuriant adventure in the far-flung depths of the turquoise waters on a private island.
