The villa is surrounded by lush tropical landscaping, including several tall palm trees and dense greenery. In the foreground, there is a large, irregularly shaped swimming pool with a smaller rectangular pool attached to it. The pool area is paved with light-colored stone tiles and features several lounge chairs with pink cushions. The villa's interior lights are on, and the sky is filled with dramatic, colorful clouds from a sunset or sunrise. The overall atmosphere is luxurious and serene.

VILLA PEARL EAST

LONG BAY, TURKS AND CAICOS

Villa Pearl East is a stunning diamond-shaped seafront residence straddling the ethereal white sands of Long Bay Beach. Perched on a gentle incline, this property commands exquisite coastal views peering into the purest distillation of Turks and Caicos' natural beauty. An impossibly clear turquoise horizon is framed by majestic palms, while a whimsical boardwalk traverses the dunes to twin beachside lanais, serenaded by the soothing Caribbean surf.

A wondrous monochrome palette enhances Pearl East's uncanny architecture while imparting a dreamy shroud of calm and sea-wept romanticism to the home. Sleek lines and oblique vertices make up dynamic free-flowing interiors awash in radiant white. Floor-to-ceiling windows wrap across the great room's uncanny dimension allowing the all-day sun to animate a gorgeous smattering of ultra-plush furnishings and elegant European accents. Dainty wire chandeliers suspended from deep grooved coffered ceilings impart a sense of grace and whimsy to the romantic home. Travertine floors match the home's selection of provincial style furnishings, while the home's high concept open-sided walls provide an unmatched sense of permeability and oneness with the surroundings. Eight fantastic bedrooms with vaulted exposed beam ceilings encapsulate laidback beachside luxury. Sixteen guests are accommodated in total comfort, discretion, and elegance. Six are outfitted with King sized bedding, while two bedrooms equipped with twin double beds ensure versatile lodging capacity.

This revered beachside luxury Villa comes to its fullest expression with the spectacular outdoor spaces. Between a private stretch of coastline, two sizeable swimming pools, a children's wading area, and a Jacuzzi, this property encapsulates tropical Island decadence. Additional amenities include a spa with a massage area, hammam, and sauna. The grounds reveal tennis and basketball courts, while a state-of-the-art private gym rounds off a haven of recreation, relaxation, and rejuvenation.

TURKS AND CAICOS

LONG BAY

Turks and Caicos is an archipelago of eight major islands and many small cays in the tropical Atlantic Ocean, southeast of the Bahamas. Its stunning blue waters and pristine white sand give the island some of the world's most amazing beaches. The Turks and Caicos is a true island destination. Its residents come from all over the world and from all walks of life. Yet, the island is a proud British Overseas Territory with its own unique heritage and culture. Travelers will also experience an immaculate marine environment, friendly people, and fine dining. The gateway island of Providenciales, known as Provo, is home to expansive Grace Bay Beach, with high-end shops and restaurants. Scuba-diving sites include a 14-mile barrier reef on Provo's north shore and a dramatic 2,134-meter underwater wall off Grand Turk Island. Stay for the natural bounties or embark on a more luxuriant adventure in the far-flung depths of the turquoise waters on a private island.
