CHALET NO 14

VERBIER, VERBIER

Chalet No. 14 is an exquisite lodge perfected in the art of Swiss Alpine luxury living. Spellbinding vistas incorporate soaring peaks and the sparkling lights of Verbier in the valley below, setting an unmatched backdrop for an evening glass of red. Prestigiously perched guests are a mere two minutes from the slopes and a short promenade from some of the world's premier resort amenities and gastronomic experiences.

Spectacular interiors present a potent merger of Alpine tradition and high culture cosmopolitanism. A gorgeous free-flowing great room is immersed in floor-to-ceiling glass walls, allowing the common areas to interact fully with larger-than-life panoramas. Snowed in coziness meets the pinnacle of contemporary glamor across ultra plush designer furnishings imported from London's most prestigious ateliers. Tufted throws and velvety pelts slathered in a glorious palette of beige, violet, and light cognac tones, reconcile comfort with high-society sophistication. Scintillating glass console tables match a delectable sense of precision and prestige across an array of desirable seating areas, complete with a rounded wood-burning fireplace. Chalet No. 14 captures the romanticism of intimate moments with loved ones and precious moments of congregation, with a sprawling U-shaped dining table seating each of Chalet's twenty-six guests. A crowning crystal chandelier is a lovely addition to an outstanding venue for momentous occasions and apres ski canapes. Thirteen stylish ensuite bedrooms dazzle with decadent baths, elite Vi-Spring mattresses, Frette linens, and Bamford Spa toiletries. Exceptional amenities include a media room and bar, while robust wellness facilities offer headfirst immersion into bodily bliss. A hammam, massage room, and indoor swimming pool round off a rejuvenating retreat.

Communal wrap-around terraces and private balconies ensure guests are never too far away from the invigorating mountain air and spellbinding vistas. Glorious alfresco features include an alluring hot tub and sun loungers for soaking in the sights and the winter sun. Shoulder to shoulder with Verbier's most exemplary estates, Chalet No. 14 dazzles the most discerning clientele.
