CHALET PETIT OURS

VERBIER, VERBIER

Chalet Petit Ours is a spectacular residence commanding extraordinary Alpine vistas from its authoritative mountain top perch. Vertiginous vistas and spellbinding natural beauty fuse with convenience perched a short distance from the Carrefour and Savoleyres lift stations. Synonymous with exclusivity and prestige, Chalet Petit Ours is perfected in the art of French Alpine luxury living.

Classic Savoyard architecture meets contemporary chic stylings in wondrous free-flowing interiors flooded with larger-than-life mountain views. Hand-hewed timber frames and a commanding inlaid stone fireplace deliver the epitome of snowed-in coziness, while cathedral-like glass showers the space in the lustrous winter sun. Chalet Petit Our's fantastically inviting yet sophisticated spaces have been carefully designed with relaxing and entertaining in mind. An idyllic apres-ski venue beckons awaiting late-night dinners or lavish cocktail soirees before the sparkling lights of Verbier below. The sliding doors lead to the large balcony offering the perfect place to relax and watch the sun dip behind stunning Alpine silhouettes. The dining area is set off the living area, and the large table can comfortably seat ten people. Sleeping 11 people in six individually designed bedrooms, this stand-alone luxury chalet is a perfect winter retreat for a large family or group of friends. All the bedrooms have en-suite bathrooms or shower rooms.

Blissful rituals await after a long day on the slopes invigorated by crisp Alpine air. One of the highlights of the property is undoubtedly the outdoor hot tub. Sunk into the large balcony, these therapeutic waters are best enjoyed before panoramic views of the Grand and Petit Combin and Mount Blanc Massif.
